

ECHOES DOWN THE CORRIDOR

Echoes → forebodes that it didn't end with the Salem witch trials, it continued to future generation.
↳ relation to McCarthyism

'fever' - used to show disease

Like the hysteria chaos caused by witch trials was like a deadly fever.

With Proctors death, theocratic form of government lost its form.

Parris lost his reputation and was unheard of

Abigail ending up as a prostitute depicts her character. In the start she used her body, seductive nature, which caused the trials, and ended up in the same place.
